# linnea,

Join us tomorrow for a live webinar highlighting **ten tips for secure mobile app development**.

Kevin Swartz will be diving into some of the top vulnerabilities discovered during NowSecure's analysis of over 62,000 of the most popular mobile apps.

Downloadable best practices and tools to help you test your apps and protect against these vulnerabilities will also be discussed.

**Date: Tomorrow, Tuesday, August 4**

**Time: 2:00 - 2:30 PM EDT**

**Location: Online webinar**
